

OUR VISION

welcoming
INTERCULTURAL NEIGHBOURS

Welcoming Intercultural Neighbours (WIN) was established in Gladstone in February 2010 to help new arrivals integrate into Gladstone, enhance community cohesion and celebrate the region's cultural diversity.

WIN's vision is to create a well-integrated, culturally diverse community, where people are supported and encouraged to reach their full potential and make meaningful contributions to their community. Over the past three years, WIN has shown what passion, efficiency, inclusion, proactivity and determination can do: the organisation, which originally included just a handful of people, now counts over 250 members and almost 1000 subscribers to WIN's weekly newsletters - and those numbers continue to increase.

WIN members meet regularly and provide a valuable network of support and friendship to new arrivals in Gladstone. Members include migrants from other countries, families that have relocated to Gladstone from within Australia, and many locals looking to share their knowledge and be part of the great activities and events that WIN organises and attends. WIN activities include English classes, computer classes, first aid courses, cultural diversity inductions and events that create opportunities for social interaction, friendships and learning. WIN also plays a valuable role in referring new arrivals to other services and organisations.

CORPORATE MEMBERSHIP

welcoming
INTERCULTURAL NEIGHBOURS

WIN offers Corporate Membership to any business or industry. Organisations can become a Corporate Member entitling all their employees and their families access to WIN's services and programs.

Corporate Membership demonstrates your organisation's:

- Commitment to building the social infrastructure required to support the needs of the Gladstone region;
- Leadership;
- Care for employees; and
- Willingness to invest in the community.

There are four different tiers of Corporate Membership based on the size of the organisation:

BRONZE MEMBERSHIP	SILVER MEMBERSHIP
<50 employees \$250	51-100 employees \$500
GOLD MEMBERSHIP	PLATINUM MEMBERSHIP
101-500 employees \$1500	>501 employees \$3000

The outcomes for a Corporate Member will be evident in their employee's happiness and ability to settle into the community, resulting in them wanted to stay longer in their employment. By organisations becoming Corporate Members they are building the capacity of the Gladstone region, connecting their employees into the community where they can contribute to making this area a preferred place to live.

WIN invites you to discuss with us which level of Corporate Membership would best suit your organisation's size, strategic goals and needs.
